

Turn Autocomplete Off / On

The system delivers a navigation feature called "Autocomplete". It will do a prompt lookup as you type to suggest appropriate values.

The user has the option to turn it off or on.

Case Sensitive

When navigating through Cardinal Station, you may have noticed, that when entering data on certain fields, a list box appears under the field with a list of records that match what you are typing. As you type more, the selection narrows until you complete entry of the field.

This is the Autocomplete feature.

You have the option to turn it off.
